Gearsyn FS 75w/90

Full Synthetic Gear Oil
Product Code: A2J

Product Description

Pennine Gearsyn FS 75w/90 Gear Oil is a fully synthetic, high performance, multipurpose automotive gear lubricant. Formulated using the finest quality synthetic hydrocarbon base stocks with an inherently high viscosity index combined with carefully chosen extreme pressure additives to give the required performance characteristics to ensure long and trouble-free component and oil service life. It offers reduced fuel consumption, enhanced oxidative and thermal stability, smoother gear changes, long service life and opportunities for grade rationalisation over standard SAE 75w, 80, 80w/90, 85w/90 and 90 gear oils.

Applications

Pennine Gearsyn FS 75w/90 Gear Oil is suitable for use in manual gearboxes, auxiliary gearboxes, transaxles and final drives in cars, light commercials, buses and trucks, where an API GL-5 type lubricant is specified. It provides protection for gears and bearings against rust, wear and corrosion and is compatible with all conventional seal materials. It can be used at oil temperatures up to 100°C, possessing high thermal and chemical stability and has excellent resistance to foaming.

Performance Specifications

Pennine Gearsyn FS 75w/90 Gear Oil exceeds the requirements of API GL-4 & GL-5

Typical Test Data

	A2J 75W/90
SAE Classification	75w/90
Specific Gravity @ 60°F	0.88
K. V. @ 100°C cSt	14.41
Flash Point (IP35) °C	225
Pour Point (IP15) °C	-39
Appearance	Red

Certificate Number: 9480
ISO 9001

Product Code: A2J

Availability

Pennine Gearsyn FS 75w/90 Gear Oil is available in bulk, 1000 litre IBC's, 205 litre barrels, 25 litre drums and 5 litre plastic bottles.

Storage

Barrels of lubricant should always be stored in such a way that will prevent the ingress of water when stored in the open.

Health & Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine is one of continual improvement, we therefore reserve the right to change specifications without notice.
