Ultracomp H8000 FS Range

Premium Performance Full Synthetic Compressor Lubricants
Product Code: ABH, ABJ, AB7

Product Description

Pennine Ultracomp H8000 FS compressor oils are a range of fully formulated synthetic lubricants based on polyalpha-olefin chemistry. They contain a balance of anti-wear, anti-oxidant and anti-corrosion additives to enhance performance and are zinc free. These products offer very low deposit forming tendencies ensuring that compressor internals are kept clean and free from sticky residues, excellent air release, anti-foam and rapid water separation properties, thereby improving filter life and reducing the cost of routine servicing.

Applications

Ultracomp H8000 FS compressor oils are recommended for use in reciprocating and rotary vane type compressors. They are compatible with our conventional compressor oil range and can be used with all sealing materials normally used with mineral oils. The low carbon forming tendencies and high oxidation resistance of these fluids means that they may also find application in circulatory systems of plain and rolling bearings in many high temperature applications.

Typical Test Data

	ABH	ABJ	AB7
Ultracomp H8000 FS	32	46	68
ISO Viscosity Grade	32	46	68
Density @ 15°C	0.84	0.85	0.84
K. V. @ 40°C (cSt)	31	48	66
K. V. @ 100°C (cSt)	5.8	8.0	10
Viscosity Index	132	138	136
Pour Point (°C)	-65	-55	-48
Flash Point (°C)	220	246	260

Certificate Number: 9480

Availability

Pennine Ultracomp H8000 FS compressor oils are available in bulk, 1000 litre IBC's, 205 litre barrels, 25 litre drums, 5 litre and 1 litre plastic bottles.

Storage

Barrels of lubricant should always be stored in such a way that they will prevent the ingress of water when stored in the open.

Health and Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement; we therefore reserve the right to change specifications without notice.
