Universal Hand Cleanser

Solvent Free Liquid Hand Soap

Product Code: AT4

Product Description

Pennine Universal Hand Cleanser is a pale straw coloured, viscous liquid skin cleanser with a fresh lemon fragrance. It is designed to remove ingrained dirt, grease and oil from the skin and is suitable for all general industrial purposes. It can be used without water and simply wiped off with a tissue or towel when required.

This product is extremely mild on the skin as it contains no solvents or abrasives and it contains an emollient to keep skin soft and supple.

Applications

This product is suitable for both factories and offices and is received well by users. To remove heavy soiling, it should be rubbed gently into the skin without dilution with water. The skin should then be rinsed with clean water or wiped thoroughly with a towel or tissue.

Typical Test Data

Density @ 20°C	1.02
Appearance	Pale Straw Viscous Liquid
Odour	Lemon
K. V. @ 20°C (cSt)	1,650
K. V. @ 20°C (cSt)	155
